# Conference Focus and Schedule

## Conference Focus

The State Title I Conference builds on a 21-year history as a premiere professional development opportunity. Noted national and state educational leaders will share their expertise during the keynote sessions and other workshops. Specific workshops for individuals, teams, agencies, and groups responsible for the administration and implementation of Title I of the federal No Child Left Behind Act of 2001 will also be available.

This conference will provide assistance to public, private, and charter schools as well as to service providers to strengthen the implementation of Title I programs in California. The conference will also provide opportunities for staff from Title I Academic Achievement Awards schools to share information about their academic success.

## Audience

- Teachers, parents, and support personnel from Title I schools
- Administrators and school board members from Title I local educational agencies
- Staff from private and charter schools receiving Title I support
- Educators from Indian Education, Migrant Education, English Learner, Neglected or Delinquent, Even Start, and Preschool programs
- Supplemental educational services providers

Program teams and staff from Title I Program Improvement schools are especially encouraged to attend.
